

Welcome to the tenth edition of *Ship Arrests in Practice*.

When first designing this publication, I never imagined it would come this far. It is a pleasure to announce that we now have 86 jurisdictions examined under the questionaire I drafted years ago.

For a decade now, this publication has been circulated to many industry players. It is a very welcome guide for parties willing to arrest or release a ship worldwide: suppliers, owners, insurers, P&I Clubs, law firms, and banks are some of our day to day readers.

Thanks are due to all of the members contributing to this year's publication and my special thanks goes to the members of the Editorial Committee who, as busy as we all are, have taken the time to review the publication to make it the first-rate source that it is.

The law is stated as of 31st of December 2015.
