

SHIP WATCH

USD 100 for 2 months

WHAT IS COVERED?

- Monitor the movement and the reported destination port of the vessel(s)
- Receive a personalised update from our team prior to and when the vessel arrives at a designated area.
- Tailor-made watch-list as per your requirements.

BENEFITS

- Lawyers, claim handlers, insurers and fleet managers gain maximum time to implement their security and enforcement actions.
- A worldwide vessel trace and track system, targeting favourable jurisdictions for enforcement on your watch-list.
- Added value service to any asset search investigation.
